

Enabling young people to become the best they can be through the medium of physical education, physical activity and school sport.

**The Howard School
Sport Partnership**

The Howard SSP is a collaboration of schools working together to **'help put sport at the heart of school life'**.

The Partnership has qualified, specialist and experienced School Sport Co-ordinator staff (SSCo's) to deliver programmes, support, train, advise and enable primary staff. We welcome any enquiries about our school sport services.
