

## No. 4 - Leadership and Volunteering

- 30 approx. Primary Schools received Young Leaders training through their School Sports Co-ordinator (SSCo) and were then deployed in playground games during playtimes/lunchtime and at other intra-school games competitions (largely year 5 and 6 pupils).
- 250 approx. secondary student sports leaders from the Howard School, Hundred of Hoo Academy, Brompton Academy and Rainham Girls were trained and volunteered at most Primary inter-school sports festivals.

C4L Riverside Team at KSGames June 2016

Hempstead Infants KSG Infant Agility June 2016

## Financial matters, business plan, marketing and THANK YOU'S

An annual business plan was developed in collaboration with senior managers and partners according to government and Sport England, Youth Sport Trust (YST) priorities, local demand/gaps and other income streams.

### HSSP Costs

#### Income

- £23,500 Grant contribution (3 days) towards full time post of Partnership Development Manager/School Games Organiser.
- £70,000 Income from all Primary School's buying into the school sport services / paying to attend extra CPD courses / G and T sports coaching.
- £6,000 Secondary School Games and other grants
- £2,000 Various other small grants from Kent County Council/YST for training volunteers/C4L etc.

TOTAL £101,500

#### Expenditure

- £64,000 To cover: School Games Organiser/Partnership Development Manager, full time staff and contribution towards the 4 School Sports Co-ordinators (SSCo's) staff part-time one day per week.
- £6,000 Secondary School Games (venue hire, medals, volunteer refreshments, equipment).
- £13,500 Costs to deliver Festivals CPD programme, clubs, coaching costs, marketing costs, (venue hire/medals/trophies/CPD resources, course/tutor fees, printing/marketing, coaches fees).
- £18,000 Various other small grants expenditure (Satellite Clubs, C4L, Kealth Project) etc.

TOTAL £ 101,500

#### Marketing

An Annual Report and two newsletters were produced throughout the year. Numerous flyers/application forms/posters/press releases were distributed to partners and the HSSP website: [www.howardssp.org.uk](http://www.howardssp.org.uk) was kept up to date for teachers, pupils/participants and the wider community such as parents and coaches/volunteers. A Twitter account is also kept up to date.

**MANY THANKS go to all of our team of partners from the statutory, community and voluntary sector: Medway Council Sports Team, Greenacre Sports Partnership, Kent County Council Kent Sport, all Kent School Games Organisers (SGO's), Youth Sport Trust, all schools, PE staff and Primary PE Co-ordinators, sports coaches, volunteers, student sports leaders, Club Mark Sports Clubs and SSCO/staff.**

# Annual Report of the Howard School Sport Partnership

September 2015- August 2016

This publication aims to give a summary of the performance of the Howard School Sport Partnership (53 schools - 8 Secondary and approximately 45 Primary, Infant and Junior schools).

## 'PUTTING P.E. AND SCHOOL SPORT AT THE HEART OF SCHOOL LIFE'

Since the Government cuts in 2010 and the introduction of the Primary School Sport Premium funding, we have had to make a charge to our primary schools for some HSSP school sport services. We had 33 primary schools out of a possible 45 signed up to at least one type of school sport service from the Howard SSP. We have to make charges for our school sport services to try and ensure our work is sustainable for the longer term future, as there are no longer any government grants for the staff role of the School Sports Co-ordinators (SSCo). The only government grant received is the School Games Organiser 3 days per week grant contribution of £23,500. All other HSSP initiatives/programmes need to be self-funded to cover staff, venue hire, trophies/medals, teacher resources, training, sports equipment and printing and postage/promotion. The Government funding now goes direct to Primary Schools as a ring fenced Primary P.E. and School Sport Premium - approx. £9000 per year, per primary school until 2020. In addition to this P.E. Primary Premium, there is a strong chance that The National Obesity Strategy, through the introduction of the sugar tax, will generate more P.E./School Sport funding for Primary Schools from September 2017. Secondary Schools only receive a small amount of Satellite Club funding (Sport England) to support school sport activities for young people after-school/outside of school curriculum hours. There are 4 areas of work:

## No. 1 - High Quality Physical Education

A Continuing Professional Development (CPD) P.E. training programme for Primary teaching staff, in the HSSP area - which is free of charge to all delegates where the school is signed up to the Baseline package minimum. A whole series of Primary CPD twilight courses were delivered by our SSCO's/CPD tutors throughout the academic year as follows:

Summary of evaluations received from delegates that attended the HSSP CPD P.E. courses from September 2015-July 2016

NAME OF CPD COURSE AND VENUE	Name of Tutor	No's attending	% of delegates scored the course as an excellent/good - 'enjoyable learning experience'
Gymnastics K.S. 1 at Hempstead Infants	GH	11	100%
Gymnastics K.S. 2 at Featherby Juniors	GH	14	100%
Dance K.S. 1 and 2 at Twydall Primary	JW	2/3	100%
K.S. 1 and 2 Invasion Games at St. James Primary			
High Fives Netball at Rainham Girls	GH	6	100%
YST Module Whole School Impact	JG	5	100%
ASA Cert. for teaching swimming at K.S.1 and K.S. 2	SR	12	100%
Gymnastics K.S. 1 at Temple Mill Primary	GH	6	100%
Gymnastic s K.S. 2 at Temple Mill Primary Junior	GH	cancelled	100%
Multi-Skills K.S. 1 and 2 at St James Primary	CP and CH	16	100%
OAA for K.S. 2 at Bredhurst Primary	CH and CP	7	100%
Change4Life Workshop at St Marys Primary	CM, GH and EB (Medway Council)	9	100%
YST Module Active Numeracy at Parkwood Juniors (raising achievement of Maths through P.E. and School Sport)	YST Tutor	17	100%

All delegates attending the above courses received extensive teaching resources to take away and use back at their own school, in order that the whole teaching staff benefit from this professional development course and resource. In addition to the above courses, several 5/6 Primary Schools opted to buy into some Team Teaching support service (either all year or just one term) where a School Sport Co-ordinator (SSCo) (experienced practitioner) came into their school for the half day throughout the year/one term only. They worked alongside some primary classroom teachers (NQT's and others) to support them in the delivery and structure of their P.E. lessons, to give them more skills, ideas, lesson plans and confidence in teaching selected areas of the P.E. curriculum and to improve the impact of the pupils learning. This mentoring helped to provide an effective professional learning and supportive service for teachers who requested it. There were 5 answer options to the questions: very poor, poor, average, very good and excellent.

QUESTION	PRE- P.E. TEAM TEACHING	POST- P.E. TEAM TEACHING
Self-rated confidence to teach: Invasion Games Basketball Gymnastics	Poor Very Good Average / Poor	Very Good Excellent Very Good / Very Good
Areas struggle with the most in teaching P.E. lessons	Rely on SOW Concerned about Health and Safety Involving all abilities and using equipment	Improved Improved New areas: better ideas on assessing pupils
Primary Teachers feel they have improved their professional development in the following areas:		How to structure lessons • Involving all abilities Health and Safety • Adapting lessons Ideas for cool down • Skills and Drills Warm up ideas • Using equipment

QUESTION	PRE- P.E. TEAM TEACHING	POST- P.E. TEAM TEACHING
<p>Has team teaching had a positive impact on the quality of my P.E. lessons:</p> <p>General comments:</p>	<ul style="list-style-type: none"> <li>Need practical ideas for developing skills and drills</li> </ul>	<p>Yes Grouping children according to ability.</p> <ul style="list-style-type: none"> <li>Fantastic experience. Would recommend to others.</li> <li>Confidence and delivery of P.E. lessons and teaching points.</li> <li>Pupils and I have thoroughly enjoyed the sessions and the pupils were always fully engaged with the lessons.</li> <li>Claire has provided good ideas for warm ups.</li> <li>I have found a better understanding of techniques.</li> <li>Excellent enjoyable lessons.</li> <li>Excellent teaching and positive comments.</li> <li>Mr Harvey has a lovely manner with the children and has been an excellent support.</li> <li>I really enjoyed the opportunities to team teach. It is great to gain this.</li> </ul>

In addition, due to demand from many Primary P.E. Co-ordinator's regarding assessment, the staff at the Howard SSP has spent most of 2015-2016 developing, researching and piloting with other Primary Schools, a HSSP Primary P.E. Assessment tool covering all areas of the Primary P.E. Curriculum. This is now available as part of the HSSP Baseline package 2016-2017 or for sale to any Primary school on it's own for £300 for K.S.1 and K.S.2.

### Physical Education Assessment Tool for Primary Schools

An in-depth tool to help plan lessons, identify where pupils are within their Physical Education learning, identify who is making progress and provide evidence for feedback.

### No. 2 OSHL Sport (Out of School hours / after-school Sports Clubs)

The following after-school sports clubs were organised by the HSSP for Schools for a four/five week period (paid for through the HSSP package or other external funders).

- Academy of Woodlands - after-school multi-sports club from term 1-6
- Riverside Primary - Kwik Cricket and Athletics Club
- Bredhurst Primary - G and T sports coaching and Multi-Skills after school

All sports coaches are fully screened before being deployed in schools. Many of our sports coaches have a direct link with a club/mark club.

### Change4Life Clubs (C4L) (Targeting physically inactive year 3 and 4 pupils in selected Primary Schools)

We undertook a survey with HSSP Primary Schools to find out what schools were delivering/planning to deliver a club for physically inactive children, such as C4L clubs. St. Marys Primary School were one of the schools who completed the survey and demonstrated their commitment to C4L clubs over several years. So they were rewarded with 2 free pupil trips to the Fun Drum soft play venue (see photo page 3).

The Howard SSP worked closely with Byron Primary to provide a 6 week Health Project with Medway Park Children's Shokk Gym and Gym Instructors. This was part a Health grant received from Medway Public Health Team.

A Change4Life teacher workshop was also held in the summer of 2016, with 9 staff from 4 schools in attendance. Riverside Primary staff kindly offered their experience of running several C4L clubs with other colleagues, to share good practice.

In addition, a team of C4L pupils from Riverside Primary took part in the C4L Kent School Games Level Three Festival (lots of fun physical activities and learning about nutrition/sugar content in drinks) at the University of Kent at Canterbury in June 2016.

### Gifted and Talented Sports Coaching Clubs (Summer 2016)

Four G and T sports coaching clubs, delivered by qualified sports coaches /P.E. Teachers were organised for selected Primary School children (2 boys and 2 girls max. per school) in years 1 and 2 and years 3 and 4, as follows:

Year Groups	No's attended	Area
Years 1 and 2	12	Strood and Rural
Years 3 and 4	6	Strood and Rural

### Satellite Sports Clubs (funded by Sport England via Kent County Council)

The HSSP successfully submitted, in partnership with their Secondary Schools, funding bids for the following schools:

- Badminton at the Hundred of Hoo, Strood Academy, Brompton Academy and Chatham Grammar for Girls
- Hockey at Brompton Academy
- Handball Club at the Howard School
- Basketball and Netball at Robert Napier School
- Basketball and Netball clubs at Strood Academy
- Girls Football and Tennis at Chatham Grammar for Girls
- And Tennis and Handball at Rainham Mark Grammar School

Rainham Mark Grammar School Girls Handball Team  
4th in the National England Schools Handball Championships, June 2016

St. Margarets Junior Sports Hall Athletics team yrs 3 and 4  
at Kent School Games finals, June 2016.

### No. 3 Inter-School Sports Competitions/Festivals

The following inter-school sports competitions were organised as follows throughout the 2015-2016 academic year:

#### Primary School Games and other HSSP Festivals (years 1-6)

Tri Golf (yrs 1 & 2)  
Sports Hall Athletics (yrs 3 & 4)  
Sports Hall Athletics (yrs 5 & 6)  
Multi-Skills (yrs 3 & 4)  
Multi-Skills (yrs 1 & 2)  
Tri Golf (yrs 3 & 4)  
Racket Skills (yrs 3 & 4)  
Quick Sticks Hockey (yrs 3 & 4)  
Key Steps Gymnastics (yrs 1-6)  
Girls Football (yrs 5 & 6)  
Girls Kwik Cricket (yrs 5 & 6)  
Dance Festival (yrs 1-13)

#### Mini Youth Games

(organised by the Medway Council Sports Team)  
(years 4-6)

Tag Rugby  
Hockey  
Badminton  
Swimming  
Table Tennis  
High Fives Netball  
Kwik Cricket  
Football  
Athletics

#### Secondary School Games

(years 7-11)

Indoor Rowing  
Badminton  
Boys Basketball  
Cross Country  
Futsal  
Handball  
Rugby Union (boys)  
Transition Rugby (girls)  
Sports Hall Athletics  
Cricket  
Athletics (district)

Many of these events were organised in partnership with the Medway Council Sports Development Team and the Greenacre Sports Partnership. The Howard SSP supplied both a School Sports Co-ordinator (SSCo) and several student sports leaders i.e. umpires/referees to help at some of the Mini Youth Games (MYG) organised by the Medway Sports Development Team. The Festival for years 1-4 were largely organised by the Howard SSP and SSCo's helped to supply student sport leaders. Many of the Primary Festivals are not physically possible to deliver, unless we have the support of student support leaders, so we are very grateful for their release and teacher support.

**A total of 152 Secondary School Teams within the HSSP area entered all of the Medway SSG – Secondary School Games events in 2015-2016. (A decrease from 211 teams last year).**

**A total of 347 Primary Teams within the HSSP area entered the full range of Primary School Games/Festivals including the Mini Youth Games in 2015-2016. (A decrease from 348 teams last year).**

**13 Primary School teams from the HSSP area went on to represent Medway in the Kent School Games finals 2015-16.**

**19 Secondary School teams from the HSSP area went on to represent Medway in the Kent School Games finals 2015-16.**

**6 Primary Schools applied successfully for the School Games Mark (2 Bronze, 3 Silver a 1 Gold Award) for achievements in 2015-2016.**
