

School Games Recognition Badges 2019-20

As a result of the national COVID-19 pandemic the decision was made by the Youth Sport Trust and Sport England to pause the 2020 School Games Mark; as a result schools will retain their 2019 School Games Mark Award.

School Games Organisers have been provided with national 2019-20 School Games Recognition digital badges and certificates to award to schools that have continued to demonstrate a strong commitment to the School Games programme during this academic year.

To apply for the 2019-20 School Games Recognition please complete the application form and send (with accompanying evidence) to Claire Moore (moorec@thehowardschool.co.uk).

The application window opens on Wednesday 10 June and will close on Wednesday 15 July 2020.
