A.S.A. NCTP Certificate for Teaching School Swimming (Primary K.S.1/2)

Wednesday 8th February, Thursday 9th February (9.00am – 4.30pm) and Friday 10th February 2017 (9am – 12.45pm)

At Hilltop Primary School Hilltop Road, Frindsbury, Rochester, Kent ME2 4QN

Develop your school swimming team with the National Curriculum Training Programme (NCTP)

Class teachers and other adults who already have an established relationship with your pupils are absolutely the best placed people to make school swimming a success in your school. For them to become confident in the delivery of swimming lessons at statutory national curriculum levels, as well as ensure school children receive the best quality aquatics education, they need support, training and necessary resources.

National Curriculum swimming training for primary school teachers is a training programme to do just that and improve the quality of swimming teaching in schools. It equips school staff with the right skills and knowledge to deliver high quality school swimming lessons to help ensure that your school not only meets, but exceeds the national curriculum requirements.

The **National Curriculum Training Programme** comprises two training programmes that use a combination of theory and practical sessions on how best to deliver school swimming:

Fundamentals of School Swimming: once completed the holder will be able to actively assist and support a more qualified teacher. Candidates can then progress to the second training programme.

Aquatic Skills of School Swimming: once completed the holder will be qualified to plan and evaluate session plans in line with the national curriculum and teach independently within a school swimming programme. The course overview is as follows:

1. Fundamentals of School Swimming

Core Module 1

- Roles, responsibilities and relationships
- Health and Safety
- Safeguarding and protecting children
- Organisation of the learning environment

Core Module 2

- Physical development
- Developing key underpinning skills
- Introduction to the strokes

Primary Module

- Swimming and water safety in the National Curriculum

Practical

- Candidates teaching pupils

2. Aquatic Skills of School Swimming:

Core Module 3

- Planning and preparing aquatic sessions

Primary Module

- Additional aquatic skills
- Key aspects of progression, attainment and assessment

Practical Observation

- Candidates teaching pupils

Equipment and clothing: One or more of the pool sessions will include activities in water, so please bring swimwear, towel(s), etc. This is a valuable session and will be tailored to suit both strong swimmers and less able ones or those lacking in water confidence. Poolside clothing should be appropriate: shorts/leggings/ lightweight tracksuit bottoms and T-shirts/polo shirts with discreet logos. Footwear must be worn poolside and should be pool-type sandals or trainers that must clean and not worn outside - an essential requirement for hygiene purposes. Also, do please remember to bring a clipboard and note-taking materials with you.

Additional information on school swimming can be found at <http://www.swimming.org/schoolswimming/>.

(Maximum course numbers: 12) Bookings will be taken on a 'first come first served basis' (as this is a very popular course). A.S.A. Course Tutor: Shelley Robinson, course organiser: Claire Moore

Free of charge (2 max. places per school) to those primary schools signed up to the Howard SSP baseline package in 2016-2017. If not, then the course costs £330.00p per person. All applications (see below) accepted on a 'first come first served basis' and sent to: The Howard School Sport Partnership, The Howard School, Derwent Way, Rainham, Gillingham, Kent ME8 OBX Tel: 07725 724393 Email: moorec@thehowardschool.co.uk

Closing date: Friday 20th January 2016.
